Labuhanbatu, Indonesia

I am a fresh graduate with a degree in Information Systems from Malikussaleh University. My interest lies in both Front-End and Back-End web development. I have prior internship experience at PT Perta Arun Gas Lhokseumawe, where I worked in the Human Resource Development department. During my time at the university, I actively participated as a member of the Information Systems student association.I possess skills in HTML, CSS, and JavaScript, and am proficient in utilizing the Bootstrap framework, Laravel Framework and MySQL database. Additionally, I have a basic understanding of the Dart programming language. I am a dedicated and responsible individual with strong communication skills. Moving forward, I am eager to continue developing my expertise and am seeking internship opportunities in Front-End or Web Development to further enhance my career.
